

NOTES TO THE FINANCIAL STATEMENTS**NOTE 20: RELATED PARTY TRANSACTIONS****Primary Government****Supplemental Retirement Income Plan of North Carolina and North Carolina Public Employee Deferred Compensation Plan**

General Statute 135-96 established the Supplemental Retirement Board of Trustees (Board) to administer both the Supplemental Retirement Income Plan of North Carolina and the North Carolina Public Employee Deferred Compensation Plan. The Plan document for each Plan designates that the general administration and responsibility for carrying out the provisions of the Plan, as directed by the Board, shall be placed with the Retirement Systems Division of the Department of State Treasurer (Department) as Primary Administrator. The Board and Primary Administrator have entered into an agreement with Prudential Financial, Inc. to perform recordkeeping, administration, and investment management services for both Plans.

The Plans contract with Galliard Capital Management, Inc. (Galliard), a subsidiary of Wells Fargo Bank N.A., to act as a delegated fiduciary investment manager for the North Carolina Stable Value Fund. Wells Fargo provides collective investment vehicles and custodial and trustee services for the North Carolina Stable Value Fund. Galliard has discretion over the benefit responsive contracts and the underlying investment managers. Galliard also has authority to invest in securities subject to guidelines in Galliard's contract with the Board and the Department. As an advisor, Galliard is primarily responsible for ensuring that negotiated investment contracts are adhered to by the insurance companies, banks or other eligible providers who have entered into such contracts. Not less than quarterly, Galliard reports the financial condition of the investment contracts and whether the contracts are being administered according to their respective terms. The fees for wrap coverage, investment management and advisory services are deducted from participants' account balances. The Galliard contract was amended and restated in February 2018, which included revisions to the investment structure and guidelines and to lower participant fees.

Prudential Retirement, a specialized unit of the Prudential Financial Investment Division, provides recordkeeping, communications, and participant services for the Plans. The fee to Prudential is deducted from the participants' account balances.

One of the funds within the North Carolina Fixed Income Fund is a commingled vehicle offered by Prudential Trust Company and managed by Prudential Investment Management, Inc. Jennison Associates, a registered investment advisory division within Prudential Global Investment Management, manages a portion of the North Carolina Stable Value Fund. Affiliates of Prudential Retirement also are a wrap provider (Prudential Insurance Company of America) and an investment manager (PGIM, Inc.) for the North Carolina Stable Value Fund.

The Bank of New York Mellon serves as the custodian for the Plans and provides global custody services related to the Pooled Account. These fees are deducted from the participants' account balances. Bank of New York Mellon also provides a short-term cash vehicle for the temporary investment of funds until they are invested on a longer-term basis.

Component Units**University of North Carolina System and Community College Foundations**

The University of North Carolina (UNC) System and community colleges have separately incorporated not-for-profit foundations that are associated with constituent institutions of the UNC System or individual colleges. These organizations serve as a fundraising arm of the respective institutions through which individuals, corporations, and other organizations support institution programs by providing scholarships, fellowships, faculty salary supplements, and unrestricted funds to specific departments and the institution's overall academic environment. These affiliated organizations are not included as component units since the economic resources received or held by an individual organization are not significant to the primary government. Therefore, the financial statements of the UNC System and community colleges do not include the assets, liabilities, net position, or operational transactions of these foundations, except for support from each organization to constituent institutions or colleges. For the fiscal year ended June 30, 2021, this support totaled \$179.96 million for the UNC System and \$2.50 million for community colleges.

The receivables from related parties as of June 30, 2021 were \$12.49 million for the University of North Carolina System and \$31 thousand for community colleges. The payables to related parties as of June 30, 2021 were \$22 thousand for the University of North Carolina System. The community colleges did not have any payables to related parties as of June 30, 2021.
