GENERAL FUND MONTHLY FINANCIAL REPORT MARCH 31, 2008

STATE OF NORTH CAROLINA

The Honorable Michael F. Easley Governor of the State of North Carolina April 14, 2008

We are pleased to submit the *General Fund Monthly Financial Report* for the nine-month period ended March 31, 2008 of the 2008 State fiscal year. Amounts and disclosures made in this report have not been audited.

Pursuant to the State Budget Act, this Report presents the General Fund complete of all general fund activities as defined by *generally accepted accounting principles*, i.e., GAAP, issued by the Governmental Accounting Standards Board. This GAAP presentation of the General Fund represents an accounting change from prior reports which presented General Fund activities on a *budgetary basis* as defined by the Office of State Budget and Management.

To accomplish this change, the activities classified on a budgetary basis in prior year reports as General Fund continue to be included in this report as part of the GAAP based General Fund and are designated as *reverting*. In addition, certain funds classified on a budgetary basis as special revenue funds or trust funds in prior years are included in this report as part of the General Fund, since by GAAP their activities are considered general fund activities, and are designated as *non-reverting*.

Please contact us if you have questions or if you would like more detailed information. We are committed to providing you and the State with the most reliable and timely financial information possible.

Sincerely, Robert L. Powell State Controller (919) 981-5454

INTRODUCTION

The General Fund Monthly Financial Report presents revenues, receipts, appropriated expenditures and disbursements on a cash basis generally in the month when cash is received or cash is disbursed. Departmental budgeted and actual expenditure amounts for reverting activities are reported net of budgeted and actual receipts respectively and are referred to herein as appropriation expenditures. For non-reverting activities, departmental receipts and disbursements are reported gross of any refunds. The Cash Management Control System (CMCS) operated by the Office of the State Controller is the source for the amounts presented in this report.
